ARTICLE IV ARCHITECTURAL REVIEW

In order to protect the overall integrity of the development of the Subdivision as well as the value of improvements of all Owners, a committee of representatives designated as the Architectural Review Committee (the "ARC") is established to carry out all duties as noted in this Declaration. The ARC will have full authority to approve and disapprove; change, modify or waive; and ultimately control all construction, development, and improvement activities of any kind (including, without limitation, structures, buildings, building materials, and the placement of the improvements) within the Subdivision. The ARC will require that all improvements are constructed in a good and workman-like manner and in accordance with standard industry trade practices. The ARC will further require that all improvements are architecturally, aesthetically, and ecologically designed to be compatible with Declarant's conceptual plan for the overall Subdivision, is in compliance with the Restrictive Covenants, and/or is decided by the ARC.

The ARC may prescribe Builder Guidelines as they may be expanded, amended or otherwise modified. Each Owner, by acceptance of a deed, acknowledges and agrees that the use and enjoyment and marketability of the Owner's Lot may be affected by this provision and that the Builder Guidelines may change from time to time. The ARC has the authority to enforce the Builder Guidelines by all appropriate means, including but not limited to the imposition of fines, subject to the review of the Board, if notice and an opportunity to be heard are given, and a Member found to have violated the Builder Guidelines will be liable to the Association for all damages and costs, including reasonable attorney's fees. The Board will have the authority to enforce the Builder Guidelines in accordance with this provision in the event the ARC fails to enforce the Builder Guidelines.

No building, structure, fence, structure, accessory building, outbuilding, addition, modification, or construction of any kind will be erected, placed, constructed, maintained, modified, redecorated, or altered, until a complete set of plans and specifications and other reasonably requested information (the "Plans and Specifications") have been formally submitted to the ARC with a written request for approval and the ARC's written approval received. Plans and Specifications which are submitted may contain and include, but not necessarily be limited to the following information: nature, kind, shape, height, and location of the Residence and improvements; floor plans, including square footage, roof pitch, percentage of exterior finish materials, and finished floor and ground elevations; exterior elevations for any building, fence or other structure; a plat or site plan showing easements and the location of any building, fence or other structure (including location of landscaping, light poles and curb cuts, if applicable); exterior lighting and location; samples of exterior finish materials and color samples; and any other plans, specifications or information deemed pertinent by the ARC or Declarant.

The ARC will review all Plans and Specifications submitted in accordance with the procedures described in this Article for compliance with all the requirements of this covenant and for the compatibility of any improvements with the architectural, aesthetic, and ecological goals of the Subdivision and Declarant. It is the intent that all improvements will be compatible with all other improvements in the Subdivision and that they will be in harmony with their natural surroundings. The ARC will have full right and authority to utilize its sole discretion in approving or disapproving any Plans and Specifications that are submitted. It is the intent of the ARC to prevent unusual, radical, curious, odd, bizarre, peculiar, or irregular structures from being built within the Subdivision.

The ARC may disapprove the construction or design of any improvement, on purely aesthetic grounds where, in its sole judgment, such disapproval is required to protect the continuity of design or value of the Subdivision, or to

preserve the serenity and natural beauty of any surroundings. Prior approvals or disapprovals of the ARC pertaining to any improvement or activity or regarding matters of design or aesthetics will not be deemed binding upon the ARC for later requests for approval if the ARC feels that the repetition of such matters will have an adverse effect on the Subdivision. The ARC will have the express power to construe and interpret any covenant that may be capable of more than one construction.

During reasonable hours, members of the ARC, any member of the Board, or any authorized representative of any of them, will have the right to enter upon and inspect any Lot and the improvement or structure for the purpose of ascertaining whether or not the provisions of the Declaration have been or are being complied with, and said persons will not be deemed guilty of trespass by reason of such entry.

The ARC will have the authority to employ professional consultants or architects at the expense of the Association to assist it in performance of its duties, including but not limited to the review of all plans, specifications and other information which are submitted for compliance. The decision of the ARC will be final, conclusive and binding upon the applicant. The ARC members will not be entitled to any compensation for any services rendered pursuant to this covenant, other than as provided in the Bylaws.

Members of the ARC will not be liable to any person subject to, possessing, or claiming any benefits of this Declaration.

The number of and initial ARC members will be decided by Declarant, which number will be a minimum of two (2). During the Declarant Control Period, in the event of the death or resignation of any member of the ARC, Declarant will have full power and authority to appoint a successor ARC member or members, chosen in its sole discretion, with like authority. At the termination of the Declarant Control Period, the Board of Directors will appoint any successor members of the ARC.

Procedures for Approval: A complete copy of the final Plans and Specifications will be submitted in duplicate, with a written request for approval, by direct delivery or by certified mail to the ARC. Such Plans and Specifications must be submitted at least 30 days prior to the proposed construction of improvements or landscaping. The Plans and Specifications will be considered submitted and all timeframes set forth in this Article will begin as of the date the ARC signs a certified mail receipt or a delivery receipt (the "Date of Submission").

At such time as the Plans and Specifications meet the approval of the ARC, the ARC will send written authorization to proceed and will retain one set of the Plans and Specifications for its file and future reference. If disapproved by the ARC, the Plans and Specifications will be returned to the submitting party marked "Disapproved" and will be accompanied by a statement of the reasons for disapproval, which statement will be signed by a representative of the ARC. Compliance by the ARC and its response to the Plans and Specifications will be based upon the date the ARC's notice of approval or disapproval is mailed (postmark of certified mail receipt) or delivered (signed delivery receipt) and will not be based upon the date the submitting party actually receives such notice of approval or disapproval. Any modification of the approved set of Plans and Specifications must be resubmitted to the ARC for its approval. The ARC's approval or disapproval will be in writing. In no event will the ARC give verbal approval of any Plans and Specifications.

If the ARC fails to approve or disapprove properly submitted Plans and Specifications within 30 days after the Date of Submission, written approval of the matters submitted will not be required and compliance with this Article and this Declaration will be deemed to have been completed. In the case of a dispute about whether the ARC responded within the required time period, the person submitting the Plans and Specifications will have the burden of establishing that the ARC received the Plans and Specifications but failed to respond. The ARC's receipt of the Plans and Specifications may be established by a signed certified mail receipt or by a signed delivery receipt.

Notwithstanding the foregoing, all plans for construction of initial improvements constructed by CAROTHERS EXECUTIVE HOMES, LTD, a Texas limited partnership are deemed approved, unless specifically disapproved by the ARC.

Procedures for Request for Variance: In the event a variance is requested, Owner or its builder or a Builder Member must submit to the ARC, in duplicate:

- (a) A complete copy of the final Plans and Specifications, together with any supporting materials and a survey showing the encroachment across or into any setback line or easement, or other basis or grounds for the variance request;
- (b) A written request for the variance; and
- (c) Contact information for the Owner and, if applicable, its builder or the Builder Member.

The request for a variance may be by direct delivery or by certified mail to the ARC. The ARC will send its written decision to the Owner or its builder or the Builder Member within 30 days of the ARC's receipt of a request for a variance. If a request for a variance is made prior to the construction of improvements and such variance is granted, the ARC's approval will be conditional and preliminary until all improvements are constructed. Upon final completion of the improvements, the Owner or its builder or the Builder Member must submit to the ARC, in duplicate, an "as built" survey, reflecting the location of all improvements and the encroachment or subject of the variance. The "as built" survey may be submitted to the ARC by direct delivery or by certified mail. The ARC will send its written decision to the Owner or its builder or the Builder Member within 15 days of the ARC's receipt of the "as built" survey. Final ARC approval and granting of the variance will not be given until the ARC receives the final submissions. In the event the encroachment or subject of the variance differs from and exceeds the original request for a variance, the Owner will be subject to a fine. Any fine assessed by the ARC must be paid in full before the ARC approves the request and grants the requested variance.

ARTICLE V FILING OF GOVERNING DOCUMENTS

It is the intent of the Association to comply with all provisions of the Texas Property Code, and specifically Section 202.006, including but not limited to the filing of the applicable Association Governing Documents in the Official Public Records of Real Property of Bell County, Texas.

In that event the receiving device may be placed in a visible location as approved by the ARC. The ARC may require as much screening as possible while not substantially interfering with reception. The Declarant and the Association will have the right, without obligation, to erect or install an aerial, satellite dish, master antenna, cable system, or other apparatus for the transmission of television, radio, satellite, or other signals for the benefit of all or a portion of the Property. ARTICLE VIII MODIFICATIONS AND VARIANCES

During the Development Period, Declarant will have the authority to modify or waive any and all of the Restrictions or the Restrictive Covenants that would not, in Declarant's sole discretion, impair or detract from the quality of the Subdivision. Upon the termination of the Development Period, the ARC will have the authority to modify or waive any and all of the Restrictions or the Restrictive Covenants that would not, in the ARC's reasonable discretion, impair, or detract from the quality of the Subdivision. Within the Facility Easement, if any, no structure, planting, fence, or other material will be placed or permitted to remain which may damage or interfere with the installation and maintenance of the Subdivision's entryway, signage, or utilities or in the case of drainage easements, which may change or impede the direction of flow of water through drainage channels in the area of such Facility Easement (collectively the "Facility Easement Area"). The Facility Easement Area of a Facility Easement located on a Lot, if any, and all improvements in such Facility Easement Area will be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible. Additionally, a 5' wide Facility Easement adjacent to and running along the side and rear property lines of each Lot is reserved for the use of the Association to repair or replace Association improvements, including the rock entry monuments, and any Owner-neglected fence or other Owner violation, in the Association's Board's sole discretion, in accordance with the terms of this Declaration. Neither the Association nor Declarant, nor any utility company using the Facility Easement will be liable for any damages done by it or its assigns, agents, employees, or servants to shrubbery, streets, flowers, or other property of the Owners situated on the land within the Facility Easement Area and covered by the Facility Easement.

There is created a right of ingress and egress across, over, and under the Common Area in favor of Declarant and the Association, for the sole purpose of installing, replacing, repairing, and maintaining all facilities for utilities, including, but not limited to, water, sewer, telephone, cable TV, electricity, gas, and appurtenances thereto.

An easement is extended and acknowledged to all police, fire protection, ambulance, garbage and trash collector pickup vehicles, and all similar persons to enter upon the Access Easement Area or a Common Area in performance of their duties.

Each Lot is conveyed subject to all easements, conditions, and reservations shown on the Subdivision Plat and each Owner will take notice of all such easements, conditions, and reservations. No Owner will maintain any condition or improvements in any platted or recorded easement or in any easement granted to the Association by this Declaration or by separate instrument recorded in the Official Public Records of Real Property of Bell County, Texas, which will significantly interfere with the intended use of the easement.

Easements for drainage throughout the Subdivision (collectively the "Drainage Easement") are reserved as shown on the Subdivision Plat or by written instrument, including the Restrictive Covenants, filed in the Official Public Records of Real Property of Bell County, Texas prior to or subsequent to the filing of the Subdivision Plat. No Owner of any Lot in the Subdivision may perform or cause to be performed any act which would alter or change the course of such Drainage Easement (collectively the "Drainage Easement Area") in a manner that would divert, increase, accelerate, or impede the natural flow of water over and across the Drainage Easement Area or through the Drainage Easement. More specifically and without limitation, no Owner, guest, invitee, or tenant may:

1. Alter, change, or modify the existing natural vegetation of the Drainage Easement Area in a manner that changes the character of the original environment of the Drainage Easement;
2. Alter, change, or modify the existing configuration of the Drainage Easement or the Drainage Easement Area, or fill, excavate, or terrace the Drainage Easement Area, or remove trees or other vegetation from the Drainage Easement Area without the prior written approval of the ARC;
3. Construct, erect, or install a fence or other structure of any type or nature within or upon the Drainage Easement Area unless such fences are found by the ARC not to impede or alter stormwater flow;
4. Permit storage, either temporary or permanent, of any type within or upon the Drainage Easement Area; or
5. Place, store, or permit to accumulate trash, garbage, leaves, limbs, or other debris within or upon the Drainage Easement Area, either on a temporary or permanent basis.

The failure of any Owner to comply with the provisions of this Article will in no event be deemed or construed to impose liability of any nature on the Association, ARC, or Declarant, and the ARC or Declarant will not be charged with any affirmative duty to police, control, or enforce such provisions. Lots containing Association improvements, including, but not limited to the rock entry features acknowledge and agree that such improvements are the property of the Association and the Association has an easement to construct and maintain such features.

ARTICLE VIII LOT CONSOLIDATION

Two (2) or more adjoining Lots may be consolidated into a single building site only with written approval of the Declarant. Unless lots are consolidated pursuant to this Declaration and required government approvals, an Owner may own multiple adjoining Lots, but each Lot must stand alone as a "self contained" lot capable of resale to a third party purchaser., i.e. a Residence, its garage and other necessary facilities, e.g. septic tank, lateral lines, etc., must be located and constructed on one (1) platted Lot, in accordance with the Restrictive Covenants and such other applicable statute, ordinance or regulation. Each adjoining Lot will bear and the Owner will be responsible for all assessments and voting rights attributable to such Lot.

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
OF MPR RANCHO DEL LAGO HOMEOWNERS' ASSOCIATION
AND OF THE RANCHO DEL LAGO SUBDIVISION

ARTICLE X ENFORCEMENT

If the Owner of any Lot, or its heirs, executors, administrators, successors, assigns, or tenants, violates or attempts to violate any of the restrictions and covenants set forth in the Declaration, then the Association, Declarant, or any Owner subject to this Declaration may prosecute any proceedings against the person or persons violating or attempting to violate any such restrictions and covenants. If there is a failure by any Owner, guest, invitee, or tenant to comply with any restriction or covenant in the Declaration and if irreparable damage to Declarant and other Owners results or would result, then the breach of any provision of the Declaration may not only give rise to an action for damages at law, but also may be enjoined or may be subject to an action for specific performance in equity in any court of competent jurisdiction. In the event an action is instituted to enforce the terms of the Declaration or prohibit violations of the Declaration, and the party bringing such action prevails, then in addition to any other remedy provided in this Declaration or provided by law, such party will be entitled to recover court costs and reasonable attorney's fees. Neither the ARC, the Association, nor Declarant will be charged with any affirmative duty to police, control, or enforce the terms of the Declaration and these duties will be borne by and be the responsibility of Owners.

ARTICLE XI MEMBERSHIP IN THE ASSOCIATION, VOTING RIGHTS AND REGISTRATION

Every person or entity who is a record Owner of a free or undivided interest in any Lot that is subject to the jurisdiction of and to assessment by the Association will be a Member of the Association.

1. Classes of Membership. The Association has 2 classes of membership:

Class A: Class A members will be all Owners and Builder Members, with the exception of Declarant, and will be entitled to 1 vote for each Lot owned. When more than 1 person holds an interest in a Lot, all such persons will be members. The vote for the Lot will be exercised as they among themselves determine, but in no event will more than 1 vote be cast per Lot.

Class B: The Class B member will be Declarant. All Class B members will be entitled to 3 votes for each Lot or acre owned including all Lots and acreage shown on a Master Plat or Plan, if any. Class B membership will cease and be converted to Class A membership upon the earlier of the following events to occur: (a) such time as the Declarant has conveyed and/or sold the last of the Unimproved Lots within the Subdivision and all of the land area comprising the Properties, whether in a single or multiple transaction, to an Owner or to any governmental authority for public use; or (b) such time as the Declarant is using all Lots owned by Declarant and appurtenant improvements constructed on Declarant's Lots for its personal use; or (c) ten (10) years from the date this Declaration is recorded in the Official Public Records of Real Property of Bell County, Texas.

2. Eligibility. Each Member of the Association is eligible to vote in all matters open to and requiring the vote of the membership of the Association. Each Member of the Association is eligible to serve as a representative, director, or officer, except as provided under the provisions of Texas Property Code, as amended, and specifically Section 209.00591, Texas Property Code.

3. Special Voting Requirements. In the event a vote is required by the Members to alter or amend this Declaration, it will take a Majority of the votes of the Members who own Lots who are present in person or by proxy at any meeting to approve such amendment or alteration, provided a Majority of the Owners are present in person or by proxy at such meeting.

4. Registration with the Association. In order that the Declarant and the Association can properly acquaint every Owner and Member with the Governing Documents and the day-to-day matters within the Association's jurisdiction, each Owner and Member will have an affirmative duty and obligation to provide, and

subsequently revise and update, within 15 days after a material change has occurred, various items of information to the Association such as:

- (a) The full name, mailing address, telephone number, facsimile number, and email address of each Owner and Member, and Fiduciary;
- (b) The business address, telephone number, facsimile number, and email address of each Owner and Member;
- (c) The name, address, and telephone number of other local individuals who can be contacted (in the event the Owner or Member cannot be located) in case of an emergency; and
- (d) Such other information as may be reasonably requested from time to time by the Association.

In the event any Owner or Member fails, neglects, or refuses to so provide, revise, and update such information, the Association may, but is not required to, use whatever means it deems reasonable and appropriate to obtain such information, and the non-cooperating Owner and Member will become automatically jointly and severally liable to promptly reimburse the Association for all reasonable costs and expenses incurred in so doing.

ARTICLE XII COVENANTS FOR MAINTENANCE ASSESSMENTS

Declarant, for each Lot owned by it within the Properties, covenants, and each Builder Member and every Owner, by acceptance of a deed, whether or not it is so expressed in the deed or other conveyance, will be deemed to covenant and agree to pay to the Association:

1. Annual assessments or charges;
2. Membership Assessments;
3. Special assessments, to be fixed, established, and collected from time to time as provided below;
4. Member Charges levied against individual Owners to reimburse the Association for extra or unusual costs incurred by the Association for curing the Owner's violation of a covenant or restriction contained in this Declaration; and
5. Fines and Late Fees levied against individual Owners. The Charges, together with interest, reasonable attorney's fees, and costs of collection, as provided in this Declaration, will be a charge on the land and will be a continuing lien upon the Lot against which the Charges are made. Each Charge, together with interest, reasonable attorney's fees, and cost of collection as provided in this Declaration, also will be the personal obligation of the Owner of the Lot at the time the obligation accrued.

The Charges levied by the Association will be used for the purpose of promoting the recreation, health, safety, and welfare of the Members, and in particular, for the improvement, maintenance, and operation of the Properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas by the Members.

Regardless of any language to the contrary, the Charges will not apply to Declarant, as owner of or holder of title of any Lot, unless Declarant occupies a Residence constructed upon its Lot, or uses the Lot or Residence for its own personal use. Annual Assessments, Membership Assessments, and Special Assessments (defined below) will not apply to Builder Members in the business of purchasing Lots for construction of improvements and subsequent resale to a third party, unless the Builder Member occupies the Residence constructed on its Lot, or uses the Lot or Residence for its own personal use. CAROTHERS EXECUTIVE HOMES, LTD, a Texas limited partnership, as a

Builder Member may maintain a model home, which does not qualify as occupying a Residence or using for own personal use.

(1) Annual Assessments. The annual assessments ("Annual Assessments") for both Class A and Class B membership will be determined by the Board of Directors in the manner provided below after determination of current maintenance costs and anticipated needs of the Association during the year for which the assessment is being made. The maximum Annual Assessment may be adjusted by a majority vote of the Board of Directors, without membership vote, but will not increase to more than the greater of:

(i) 110% above the prior year's Annual Assessment, or

(ii) the result of multiplying the prior year's Annual Assessment by a fraction, the numerator of which is the latest Consumer Price Index published on or before the 60th day prior to the date the Board sets the new maximum Annual Assessment rate and the denominator of which is the Consumer Price Index published on the year prior to the one used in the numerator. Consumer Price Index is the Consumer Price Index of the Bureau of Labor Statistics of the U.S. Department of Labor for All Urban Consumers. In the event the compilation or publication of the Consumer Price Index is substantially revised, transferred to any other governmental department or bureau or agency or is discontinued, then the index (or a substitute procedure which reasonably reflects and monitors fluctuations in consumer prices most nearly the same as the Consumer Price Index) will be used to make the calculations.

The Association may increase the maximum Annual Assessment rate by more than the amount specified in the preceding sentence only upon receipt of a Majority of the votes of the Members who own Lots who are present in person or represented by proxy at a meeting called for vote on the proposed increase, provided a Majority of the Owners are present in person or by proxy at such meeting.

The Annual Assessment will be established by Declarant. The initial Annual Assessment for each Lot will be \$1,000.00. The Annual Assessment, or a pro rata portion of the initial Annual Assessment based upon the date of closing of the Lot, will be due and payable from the new owner at the closing of the initial sale of the Lot by Declarant to a third party.

(2) Membership Assessment. In addition to the Annual Assessments provided for above, the Association may levy a membership Assessment ("Membership Assessment") on Class A membership at any time a Lot is sold by the Owner, including Declarant, to a third party. The Membership Assessment will be established by Declarant so long as the Declarant is the Owner of a Lot and thereafter determined and established by the Board. The Membership Assessment will be collected from the purchaser of the Lot at closing.

(3) Special Assessments. In addition to the Annual Assessment, the Association may levy a special assessment ("Special Assessment") on Class A membership and Class B membership as follows:

(i) For the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement on or which is a part of the Common Area, in an amount determined by the Board;

(ii) Respond to the unusual emergency needs of the Association as may be expected to appear from time to time, in an amount determined by the Board, or

(iii) For such other lawful purpose related to the use of the Properties as the Board or the Owners may determine, provided that this assessment will have the approval of a Majority of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, provided a Majority of the Owners are present in person or by proxy at such meeting. Written notice of the date, time and purpose of the meeting will be sent to all Owners as allowed by the Bylaws of the Association.

(4) Member Charge. In addition to the Annual Assessment and Special Assessment described above, the Association, by vote of the Board, may impose a charge ("Member Charge") upon any Owner for the purposes of reimbursing the Association for all direct and indirect costs incurred by the Association with regard to the maintenance, repair, or replacement of improvements on any particular Lot when the Board has determined the maintenance, repair, or replacement of improvements associated with the Lot has been neglected to the point where conditions existing on the Lot are not in conformance with the maintenance obligations set forth in this Declaration, or an Owner places anything in the Common Area. The Owner of the Lot will be notified in writing of the Board's determination and the specific deficiencies found to exist. The Owner will be afforded a reasonable period of time to respond to the Board's notice and to correct the deficiencies. The Owner will be assessed the cost necessary to reimburse the Association for any and all costs to secure compliance, including attorney's fees.

(5) Fines and Late Fees. In addition to the Annual Assessment, Special Assessment, and Member Charge described above, the Association, by vote of the Board, may impose fines and late fees (sometimes referred to as "Fine and Late Fee" or "Fine or Late Fee") upon any Owner for non-compliance or violations of the covenants of the Declaration or for late or nonpayment of any Annual Assessment, Special Assessment, or Member Charge. The Owner of the Lot will be notified in writing of the Fine or Late Fee assessed to the Owner and the cause of such Fine or Late Fee. The Owner will be afforded a reasonable period of time and notice to pay the applicable delinquent Annual Assessment, Special Assessment, or Member Charge, prior to the assessment of any Fine or Late Fee. The Owner will be assessed the cost necessary to reimburse the Association for any and all costs to secure compliance, including attorney's fees.

(6) Due Dates, Budget, and Late Charges. The Annual Assessments will be due and payable and collected as the Board of Directors determines. The amount of the Annual Assessment will be an amount that bears the same relationship to the Annual Assessment provided for above as the remaining number of months in that calendar year bear to twelve. The Board will use reasonable efforts to provide each Owner with an invoice statement as of the appropriate amount due, but any failure to provide a notice will not relieve any Owner of the obligation.

The due date of any Special Assessment will be as set out above or as fixed in the resolution authorizing such assessment.

The Member Charge and Fine and Late Fee are due and payable within 30 days after the Owner was served with notice by the Association of the amount of the Member Charge or Fine or Late Fee.

Each year, the Board of Directors will adopt an annual budget and set the amount of the Annual Assessment, taking into consideration the Association's operating cost for the then current year, expected increases or decreases in the costs over the next year, and future needs of the Association. The annual budget will be adopted by the Board at least 30 days prior to the commencement of each calendar year.

Any assessment, Member Charge, or Fine or Late Fee not paid within 30 days after the due date will bear interest from the due date at a rate to be determined, from time to time, by the Board, not to exceed the maximum permitted by law. If the Board refuses or fails to determine a rate of interest, the rate of interest will be the lesser of (i) 18% per annum, or (ii) the maximum rate allowed by law.

(7) Remedies and Lien for Annual Assessment, Special Assessment, Member Charge, and Fine and Late Fee. Each Owner, by his acceptance of a deed to a Lot, expressly vests in the Association, or its agents, the right and power to bring all actions against the delinquent Owner personally for the collection of the Charge as a debt and to enforce the lien by all methods available for the enforcement of liens, including judicial foreclosure by an action brought in the name of the Association, and grants to the Association the power of sale in connection with the lien. The President of the Board of Directors will have the right to appoint an agent and trustee, to mail and file the notices required by Texas Property Code, to file suit, to conduct the sale, and to otherwise comply with the statutes of the Texas Property Code, and specifically Section 209, Texas Property Code. The lien provided for in Section 209, Texas Property Code, will be in favor of the Association and will be for the benefit of all other Owners. No Owner may waive or otherwise escape liability for the Charges for nonuse of the Common Area or abandonment of his Lot.

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
OF MPR RANCHO DEL LAGO HOMEOWNERS' ASSOCIATION
AND OF THE RANCHO DEL LAGO SUBDIVISION

In addition to the foregoing charges for delinquent accounts, each Owner will be obligated to pay to the Association all actual costs of collection incurred by the Association, including attorney's fees, as and when allowed by law, and such reasonable late charges and collection charges as the Board of Directors may establish, all of which will also be subject to the liens of the Association.

In the event of a delinquent account, the Association will provide all notices to the delinquent Owner as required by Texas Property Code, Section 209, or other Applicable Law, and will apply all payments received to the Owner's debt in accordance with Section 209.0063, Texas Property Code.

Notice of the lien may be given, but is not required, by the recordation in the Official Public Records of Real Property of Bell County, Texas, of an affidavit of delinquent payment and notice of assessment lien, duly executed by an officer, managing agent, attorney, or officer of the Association, setting forth the amount owed, the name of the last known Lot Owner or Owners of record, and the legal description of the Lot.

At any foreclosure, the Association will be entitled to bid up to the amount of the sum secured by its lien, together with costs and attorney's fees, and to apply as a cash credit against its bid all sums due to the Association covered by the lien foreclosed. From and after any foreclosure, the occupants of the Lot will be required to pay a reasonable rent for the use of the Lot and its improvements. Their occupancy of the Lot will constitute a tenancy-at-sufferance, and the purchaser at the foreclosure sale will be entitled to appoint a receiver to collect rents and, further, will be entitled to sue for recovery of possession of such Lot by forcible detainer or by Writ of Possession.

The lien of the Charges will be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Lots subject to the Charges, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale or transfer of such Lot pursuant to a decree of foreclosure, non-judicial foreclosure, or conveyance in lieu of foreclosure or in satisfaction of mortgage debt. The sale or transfer will not relieve the Lot from liability for any Charges thereafter becoming due nor from the lien of any subsequent Charge.

ARTICLE XIII MAINTENANCE FUND

The Board, for the benefit of the Owners, shall establish and maintain a maintenance fund into which shall be deposited the Charges collected from Owners and which maintenance fund shall be used, without limitation, for the payment of the following:

- (1) Taxes and assessments and other liens and encumbrances which shall properly be assessed or charged against the Common Areas rather than against the individual Owners, if any.
- (2) Care and preservation of the Common Area.
- (3) The services of a professional person or management firm to manage the Association or any separate portion thereof to the extent deemed advisable by the Board of Directors, (provided that any contract for management of the Association will be terminable by the Association, with no penalty, upon 90 days prior written notice to the managing party) and the services of other personnel as the Board of Directors or the manager deems necessary.
- (4) Legal and accounting services.
- (5) A policy or policies of insurance insuring the Common Area, the Association, its Directors, and Officers against any liability to the public or to the Owners (and/or guests, invites, or tenants) incident to the operation of the Association in any amount or amounts as determined by the Board of Directors.

(8) Any other materials, supplies, insurance, furniture, labor, services, maintenance, repairs, structural alterations, taxes, or assessments (including taxes or assessments assessed against an individual Owner) which the Board of Directors is required to obtain or pay for pursuant to the terms of this Declaration or by law or which in its opinion is necessary or proper for the enforcement of this Declaration.

(9) Perpetual maintenance and enhancement of all Common Area including any portion of the private streets owned or maintained by the Association, walls, gates, grounds, landscaping, lights, irrigation, and electric for right-of-way and all entry monuments, walls, and signs owned or maintained by the Association.

ARTICLE XV COMMON AREAS

Any and all Common Areas will be for the common use and benefit of each Member of the Association. The initial Common Areas will include the Subdivision's entryway and its landscaping, and any drainage or detention pond.

This Article will not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property, nor from acquiring title to real property which may or may not be subject to this Declaration, nor from disposing small tracts of Common Area in accordance with the provisions of this Declaration.

ARTICLE XVI INSURANCE AND CONDEMNATION

1. Fire, Hazard, and Casualty Insurance. Each Owner, at his sole cost and expense, covenants and agrees with all other Owners and the Association to carry all-risk casualty insurance on their Lot. Each Owner further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction, the Owner will proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original Residence. In the event the Residence is totally destroyed and the Owner determines not to rebuild or reconstruct, the Owner will clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of the construction.

Each Owner will be responsible, at his own cost and expense, for personal liability insurance to the extent not covered by the Association and public liability insurance acquired by the Association on behalf of all Owners with respect to the Common Area. Each Owner will be responsible, at his own cost and expense, to obtain and maintain hazard and/or liability insurance on the Lot once the Residence has been constructed on a Lot.

2. Property and Public Liability Insurance With Respect to Common Area, Errors and Omissions and Indemnification.

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
OF MPR RANCHO DEL LAGO HOMEOWNERS' ASSOCIATION
AND OF THE RANCHO DEL LAGO SUBDIVISION

(A) The Board of Directors may, at the Board's sole discretion, obtain and continue in effect property insurance, to insure the buildings and structures in the Common Area, naming the Association as beneficiary with an endorsement to the mortgagee, if any, against risks of loss or damage by fire and other hazards as are covered under standard fire and extended coverage provisions. This insurance will also include coverage against vandalism.

(B) The Board of Directors may, at the Board's sole discretion, obtain comprehensive public liability insurance in such limits as it deems desirable, insuring the Association, its agents and employees, and each Owner, from and against liability in connection with the Common Area.

(C) The Board of Directors may, at the Board's sole discretion, obtain liability insurance covering errors and omissions of directors, officers, managers, employees, and representatives of the Association, and fidelity bonds for all officers and employees that have control over the receipt or disbursement of funds.

(D) The Association may indemnify directors, officers, employees, and agents and may purchase a policy or policies insuring the Association, its Directors, and Officers against any liability to the public or to the Owners (and/or guests, invitees, or tenants) incident to the operation of the Association in any amount or amounts determined by the Board.

3. Insurance Premiums with Respect to Common Area. All costs, charges, and premiums for all insurance with respect to the Common Area that the Board of Directors authorizes will be a common expense of all Owners and will be part of the annual assessment.

4. Other Insurance. None of the above prevents the Board of Directors from obtaining other insurance as may be required by law (e.g. workers compensation) or other insurances which may become the norm for properties of this nature.

5. Condemnation. If part or all of the Common Area is taken or condemned by any authority having the power of eminent domain, any compensation and damages will be paid to the Association. The Board of Directors will have the exclusive right to act on behalf of the Association with respect to the negotiation and litigation of the taking or condemnation issues affecting the to-be-condemned Common Area. The Owners may, by vote of 75% or more of the total voting power, agree to distribute the proceeds of any condemnation or taking by eminent domain, to each Owner and his mortgagee, if any, as their interest may appear. In the event that the Owners do not agree, the proceeds will be added to the funds of the Association, and the Association will decide on whether or not to replace or restore, as far as possible, the Common Area so taken or damaged.

The Association will give timely notice of the existence of the proceedings to all Owners and, if information is available, to their mortgagees, if any. The expense of participation in the proceedings will be common expenses chargeable to the Owners.

6. Insufficient Proceeds. If the insurance or condemnation proceeds are insufficient to repair or replace any loss or damage, the Association may levy a special assessment as provided for in this Declaration.

ARTICLE XVII AMENDMENT AND ANNEXATION

This Declaration will remain in force and effect for a period of 20 years after this Declaration is recorded, and each 10th anniversary thereafter, this Declaration will be renewed and continued for a period of 10 years unless amended as provided in this Declaration. This Declaration may be amended by written instrument approved by the affirmative vote of the Majority of Owners in the Association. The amendment will be effective when it is certified by the President of the Association as to the requisite number of votes and recorded in the Official Public Records of Real Property of Bell County, Texas. Any amendment so certified and recorded will be conclusively presumed to have been duly adopted. Declarant will have the right to file an amendment to this Declaration, or any other Restrictive Covenant that may be filed, for any reason, without the necessity of joinder by any other Owner, at any time during

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
OF MPR RANCHO DEL LAGO HOMEOWNERS' ASSOCIATION
AND OF THE RANCHO DEL LAGO SUBDIVISION

the Development Period. Notwithstanding the foregoing, after the termination of the Development Period, Declarant will have the right to file an amendment to this Declaration, without the necessity of joinder by any other Owner, for the limited purposes of correcting a clerical error, clarifying an ambiguity, removing any contradiction in the terms of this Declaration, or for the purpose of making such additions or amendments to this Declaration as may be required by FHA, HUD, VA, or other governmental authority to qualify the Properties for mortgage guaranties issued by FHA or VA.

During the Development Period, Declarant will have the right, privilege, and option to annex additional land to make it subject to this Declaration by filing in the Official Public Records of Real Property of Bell County, Texas, an amendment annexing additional property. Additional property may also be annexed and made subject to this Declaration by written instrument approved by the affirmative vote of a Majority of Owners of the Association and filed of record in the Official Public Records of Real Property of Bell County, Texas.

ARTICLE XVIII GOVERNMENTAL REQUIREMENTS

By acceptance of a deed to a Lot, or initiating construction of improvements to a Lot, each Builder Member and contractor assumes responsibility for complying with all certifications, permitting, reporting, construction, and procedures required under all applicable governmental rules, regulations, and permits, including, but not limited to those promulgated or issued by the Environmental Protection Agency or any other governmental authority and related to Storm Water Discharges from Construction Sites (see Federal Register, Volume 57, No. 175, Pages 41176 et seq.), and with the responsibility of ascertaining and complying with all regulations, rules, rulings, and determinations of the Texas Water Development Board and Texas Water Commission, related to each Lot, including, without limitation, the provisions of chapters 325 and 331, Texas Administrative Code, and any specific rulings made pursuant to the terms of the foregoing. The foregoing references are made for the benefit of builders and contractors and do not in any way limit the terms and requirements of this covenant and the requirement that all Builder Members and contractors comply with all governmental regulations, and any plan required by such regulations such as Storm Water Pollution Plan, affecting each Lot and construction site with which they are associated, including delivery to Declarant of a certification of understanding relating to any applicable NPDES permit prior to the start of construction. Each Builder Member and contractor, by acceptance of a deed to a Lot or undertaking the making of improvements to a Lot, holds harmless and indemnifies Declarant from all cost, loss, or damage occasioned by the failure to abide by any applicable governmental statute, rule, regulation or permit related to the Properties.

By acceptance of a deed to a Lot, each Builder Member and Owner accepts responsibility to maintain his or its Lot so that any storm water drainage ditch(es) do not fill up, become clogged, or prohibit the free flow of drainage or pollute storm water.

By acceptance of a deed to a Lot, each Builder Member and Owner agrees that Declarant and the Association will have the right to enter upon any Lot on which one or more conditions or activities prohibited by appropriate governmental authority is maintained, or on which there has been a failure to perform any act required by appropriate governmental authority. The Declarant and the Association may enter the upon the Lot for the purpose of curing any violation, provided that the Owner or Builder Member has been given 5 days prior written notice and has failed to remedy the complained of violation within such time. Each Owner and Builder Member indemnifies and holds harmless Declarant and the Association from all cost and expense of such curative action and any cost or expense of penalty or fine levied by any governmental authority as a result of the act or failure to act of the Owner or Builder Member with respect to his Lot or the Properties. The foregoing remedy will be cumulative of all other remedies for violations of provisions of these covenants.

ARTICLE XIX GENERAL PROVISIONS

1. Interpretation. If this Declaration or any word, clause, sentence, paragraph, or other part thereof will be susceptible to more than one or conflicting interpretations, then the interpretation which is most nearly in accordance with the general purposes and objectives of this Declaration will govern. Declarant does not intend to limit the methods by which the Association and Owners, together with its employees, tenants, guests, invitees, and customers, communicate with each other. Such communications may be by any method or methods that are available and customary. For example, if the Association is required by the Governing Documents or applicable law to make information available to Owners of all Lots, that requirement may be satisfied by posting the information on the Association's website or by using electronic means of disseminating the information, unless applicable law requires a specific method of communication. It is foreseeable that meetings of the Association and voting on issues may eventually be conducted via technology that is not widely available on the date of this Declaration. The Association may adopt and employ a combination of methods to communicate with Owners, including both traditional communication and technology.

4. Headings. The headings contained in this Declaration are for reference purpose only and will not in any way affect the meaning or interpretation of this Declaration.

5. Invalidation. Invalidation of any one or more of these covenants, restrictions, conditions, and limitations by judgment or court order, will in no way affect any of the other provisions of this Declaration which will remain and continue in full force and effect.

6. Compliance. These covenants, restrictions, conditions, and limitations are in all respects subject to any required governmental approval and any applicable zoning regulation lawfully in force or hereafter adopted.

EXECUTED to be effective on June 29, 2017.
